Be sure to provide specific practice to students on the skills that correspond to their grade level.

**Materials Needed:** Print, cut, and laminate response boards and response options attached to the end of this lesson. Also print the story. We recommend putting the story in a three ring binder with page protectors. Note that the stories are written in Level 3 text (no picture icons; Lexiled at about half of the original grade level). See notes on “Build Towards Grade Level Competence” for moving students towards grade-level text (Level 4). Teachers may modify the story by adding the vocabulary picture icons, simplifying sentences, and deleting nonessential sentences (Level 2 text). We also have provided some Level 2 text examples in the “Build Towards Independent Reading” section. The repeated story line is written simply (Level 1 text) and can be emphasized for students with emergent literacy (e.g., “Dad was proud of his family.”). For students with the most significant or multiple disabilities, augment the story using objects.

## BUILD ESSENTIAL UNDERSTANDING: Teaching Story Elements

<p><b>INTRODUCE TEXT</b> (i.e., attention getter activity) Show a picture of a large family (you may have students bring pictures of their families). Ask students how many siblings they have. Show the book <i>Cheaper by the Dozen</i>. <b>We are going to be reading a book about a large family with 12 children.</b></p>		
<p><b>6<sup>th</sup></b> Objective: Identify characters and setting in a story (6.RL.b2).</p>		
Step	Teacher Says/Does	Student Response
1.	Find the title of our book.	Points to title. (Teacher reads title. If student needs help, use LIP.) <b>REMEMBER TO PRAISE EACH CORRECT RESPONSE!!!!!!</b> 
2.	Find the author of our book. The author is the person who wrote our story.	Points to author. (Teacher reads author's name. If student needs help, use LIP.) 
3.	A <b>character</b> is a person or people in a story. Listen while I read the first two sentences of our first chapter. (Read 1 <sup>st</sup> two sentences). <b>“Who” asks for the name of a character. Who is the character in our story?</b>	Selects “Dad.” (Option: Give student 4 pictures from which to make a selection.) If not correct, use the LIP for finding answer in text. Also remind student “who” asks for a person’s name.   Option: Use examples/non-examples of characters/ not characters. 
4.	Remember, <b>characters</b> are people in a story. Listen while I read the first page of our first chapter. (Read 1 <sup>st</sup> page). <b>“Who” asks for the name of a character or set of characters in the story. Who are the characters in our story?</b>	Selects “Gilbreth family.” (Option: Give student 4 pictures from which to make a selection.) If not correct, use the LIP for finding answer in text. Also remind student “who” asks for a person’s name.   Option: Use examples/non-examples of characters/ not characters. 
5.	The <b>setting</b> is a place in our story. <b>“Where” asks for the setting, a place in our story. Where is the setting?</b>	Selects Montclair, New Jersey. (Give student 4 pictures from which to make a selection.) If not correct, use the LIP for finding answer in text. Option: Use examples/non-examples of settings/ not setting. 

6.	<p><b>I have a special job for you to do today while I read the chapter. I want you to listen for what Dad does. He loves his family and is very proud of them. When I read “Dad was <u>proud</u> of his <u>family</u>.” I want you to help me read “proud” and “family.”</b> (Hold up a sentence strip with the words “Dad was proud of his family.” Point to the words as you read them, but wait for student to read the last word.) <b>Let’s practice, “Dad was...of his...”</b></p>	<p>Reads “proud” and “family” (e.g., student may use voice output device to say “proud” and “family” or speak the word to help read it). Use LIP to help students state “proud” and “family”.</p>	
----	--	---	---

## BUILD ESSENTIAL UNDERSTANDING: Key Vocabulary and Building Phonetic Awareness

<p><b>6<sup>th</sup></b> Objective: Identify and define key words related to the story. (See materials for vocabulary and pictures)</p>		
<p><i>READER OPTION:</i> Student reads each sight word and matches it to the picture.</p>		
<p><i>LISTENER OPTION:</i> Teacher reads the word and student finds the picture. (More support: Some students may need to select an object that represents the word).</p>		
<p><b>Before we read our story, let’s review some key words we will find in the first chapter. Read (or listen for) the word and then show me the picture that goes with the word. (Go through the vocabulary at a rapid pace.)</b></p>		
Step	Teacher shows (or reads) each word	Student Response
7.	dad	 Reads/ selects “dad.” Matches to picture. (Time delay is an excellent strategy to teach the words. Begin with a 0-sec. delay round so students learn the words without error. Then use a delayed round for students to anticipate the correct response.)
8.	proud	Reads/ selects “proud” and matches to picture.
9.	family	Reads/ selects “family” and matches to picture.
10.	job	Reads/ selects “job” and matches to picture.
11.	loved	Reads/ selects “loved” and matches to picture.

## BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Topic and Supporting Details)

<p><b>6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup></b> Objective: Confirm or change a prediction about topic of story using at least two supporting details from story (6.RL.b.2; 7.RL.j.1, 8.RI.j.1) See materials for response options.</p>		
<p><b>READ ALOUD ADAPTED TEXT:</b> Do step 12 with students first, and then read Chapter 1 aloud (some students may be able to read this passage aloud for you).</p>		
Step	Teacher Says/Does	Student Response
12.	<p>Do prior to reading text: <b>Before we start reading, I want you to think about what this chapter is about. Remember, “dad,” “family,” “job,” and “proud” are our vocabulary words. Our repeated story line is “Dad was proud of his family.” The topic is what the story is about. What is the topic of the story?</b> Present response options. Vary order daily.</p> <ul style="list-style-type: none"> <li>- A dad and his family</li> <li>- Doing homework</li> <li>- A dad running</li> <li>- A family dog</li> </ul>	<p>Selects one sentence (Note: any answer is okay for now; this is their guess. If doing this with a group, have each student respond and tally how many “votes” each answer gets.)</p>
13.	<p><b>I am going to read our chapter aloud now. Follow along with me. Remember you are going to help me read “proud” and “family” when I say</b> (text point as you read) <b>“Dad was <u>proud</u> of his <u>family</u>.” Ready?</b> Read the chapter aloud. When you come to a repeated story line, text point as you read and wait for students to read underlined words. NOTE: Some students may be able to help read other key vocabulary terms in the text, such as those practiced in the previous section.</p>	<p>Reads “proud” and “family” (may use voice output device). Use LIP if does not respond correctly.</p>

14.	<p>Display “Selecting Topic and Supporting Details” Graphic Organizer, Prediction Response Options, and Supporting Detail Response Options. <b>Earlier we made a prediction about the topic of our story. Now that we have read the story, let’s select the actual topic of our story</b> (Show the response options for prediction again). <b>What is the topic of our story?</b> Wait for student to respond. <b>Place the topic in the graphic organizer.</b></p>	<p>Student selects (points/eye gaze) or reads response option: “A dad and his family.” Use LIP if does not respond correctly.</p>	
15.	<p><b>We have to find a fact in our story to back up our topic choice. Look at the first page of our chapter. We need to find a detail from our story that supports our topic, “A dad and his family.”</b> (Display 4 details from passage: 2 correct and 2 incorrect).</p> <ul style="list-style-type: none"> <li>- <b>He wore shirts with a Herbert Hoover collar.</b></li> <li>- <b>This is called job efficiency.</b></li> <li>- <b>Dad was the leader of the Gilbreth household.</b></li> <li>- <b>He and mom had 12 children.</b></li> </ul>	<p>Student selects (points/eye gaze) one of two correct response options: “Dad was the leader of the Gilbreth household.” Or “He and mom had 12 children.” Use LIP if does not respond correctly.</p>	
16.	<p><b>We need to find another detail from our story that supports our topic, “A dad and his family.”</b> (Display 4 details from passage: 2 correct and 2 incorrect).</p> <ul style="list-style-type: none"> <li>- <b>He wore shirts with a Herbert Hoover collar.</b></li> <li>- <b>This is called job efficiency.</b></li> <li>- <b>Dad was the leader of the Gilbreth household.</b></li> <li>- <b>He and mom had 12 children.</b></li> </ul>	<p>Student selects (points/eye gaze) one of two correct response options: “Dad was the leader of the Gilbreth household.” Or “He and mom had 12 children.” Use LIP if does not respond correctly.</p>	

## BUILD A GRADE-ALIGNED COMPONENT: CONTEXT CLUES

<p><b>BUILD A GRADE-ALIGNED COMPONENT:</b> Use response boards. Student should select the correct picture/word/phrase.</p> <p><b>6<sup>th</sup> &amp; 8<sup>th</sup></b> Objective: Students will select the definition of grade level words (6.RWL.c1, 8.RWL.i1)</p> <p><b>6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup></b> Objective: Students will use context clues to determine meaning of words or phrases (6.RWL.a1, 7.RWL.g1, 8.RWL.g1)</p>		
<p><b>You have done such a great job with our story today. Let’s do one more thing to become super readers. Let’s play “Guess the Mystery Word.” We are going to look at words around our mystery word to help us find what the mystery word means. Sometimes the words in the sentences can help us figure out the mystery word, and sometimes the surrounding sentences can help us figure it out.</b> Use response options provided in materials.</p>		
Step	Teacher Says/Does	Student Response
17.	<p><b>Here is our first one. “He told other businesses how to do their job faster and better. This is called <u>job efficiency</u>.”</b></p> <p><b>Who can find what efficiency means?</b></p> <p><b>Hint: The sentence before tells us what efficiency means. Efficiency means “how to do their job faster and better.”</b></p>	<p>Selects “how to do job faster and better.” (To make this a game, give student a point for each correct answer. Students may compete as teams; or if only one student, let student try to get correct answer faster than you do.)</p> <p>If not correct, use LIP and state hint to left as specific verbal prompt.</p>
18.	<p><b>Here’s our next passage. “He would increase their <u>production</u>, which means the business could make and sell things faster and make more money.”</b></p> <p><b>Who can find what production means?</b></p> <p><b>Hint: This sentence tells us what production means, “which means the business could make and sell things faster.”</b></p>	<p>Selects “make and sell products faster.”</p> <p>Use same strategy for prompting as above and same game format.</p>
19.	<p><b>Here’s another passage, “It was called the ‘assembly call.’ <u>Assemble</u> means gather together. The assembly call was important. Dad would blow a whistle. We all had to come running and line up in front of our house in Montclair, New Jersey.”</b></p> <p><b>Who can find what “assemble” means?</b></p>	<p>Selects “gather together.”</p>

	<b>Hint: Here's the hint, "Assemble means to gather together." The author even gives an example. When dad used the assembly call, "we all came running and lined up in front of our house."</b>	
20.	<b>Sometimes a word can have more than one meaning. Let's try a few. A "chart" can be something I use to write on (show picture of a chart). "To chart" means to write down the jobs you have done to track your progress (show a picture of a person charting progress). What does chart mean in this sentence... "I wrote my name on the chart."</b>	Selects picture of a chart.  If not correct, reread the definitions of "chart" and let the student try again.
21.	<b>What does "chart" mean in this sentence... "When I am working on a project, I chart my progress."</b>	Selects picture of person charting progress.
22.	<b>Let's do another word. The word "brush" can be the action that we use to brush our hair or our teeth (demonstrate the two motions). Or, a "brush" can be the tool we use to brush our hair. What does brush mean in this sentence... "He taught us the best way to wash dishes, comb our hair, and brush our teeth."</b>	Selects picture of kid brushing teeth.
23.	<b>What does brush mean in this sentence... "I use the brush to comb my hair."</b>	Selects picture of a hairbrush.
24.	<b>Sometimes we use figures of speech. A figure of speech is a phrase used to create an effect but does not literally mean what it says. Listen to this passage. "We never knew when he was going to call the assembly call. Dad sure <u>kept us on our toes</u>." Dad didn't really keep the children standing on their toes. What does "kept us on our toes" mean? Alternate days use: "stretching the truth."</b>	Allow for a variety of acceptable responses. If needed model the answer.
	Note: To help students generalize, try other multiple meaning words or additional figures of speech in future lessons. Point out these words in everyday activities.	

## BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Comprehension Questions)

<p><b>6<sup>th</sup></b> Objective: Use text to answer comprehension questions (e.g., answer “who”, “what”, and “where” questions) (6.RL.b2, 6.RL.b3)</p>		
<p><b>Let’s answer some questions about our story. We will use the chapter to help us find the <i>right</i> answer.</b>  <i>READER OPTION:</i> Student uses text to find the answer (if needed), such as by pointing to key word or sentence in text.  <i>LISTENER OPTION:</i> Use response options.</p>		
Step	Teacher Says/Does	Student Response
25.	<p><b>“Who” asks for a <i>character</i> in our story. The main <i>character</i> is the person who the story was focused on. Who is a <i>main character</i> in this chapter?</b></p>	<p>Verbally states/points to in chapter/selects “dad” from response options.            (If student does not get correct answer for these questions, reread portion of text with correct answer and ask again. See LIP for text in <i>Instructional Resource Guide</i> for more detail.)</p> 
26.	<p><b>“Where” asks for the <i>setting</i> or where the story takes place. Where is the <i>setting</i> of our story?</b></p>	<p>Verbally states/points to in chapter/selects “New Jersey” from response options. Use LIP procedure if needed.</p> 
27.	<p><b>“What” asks for a <i>fact</i> from our chapter. Look at the first page of our story. What did Dad help businesses do faster and better?</b>            On subsequent days, select details from different pages of the chapter.</p>	<p>Verbally states/points to in chapter/selects “jobs” from response options. Use LIP procedure if needed.</p> 
	<p>Generalization: On future days if you reread this chapter, you might try different “wh” questions so students do not memorize the answers. For example: What did Dad use to call the family together? (assembly call)</p>	

## BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Theme)

<b>7<sup>th</sup>, 8<sup>th</sup></b> Objective: Students will identify theme of the story using supporting details (7.RL.j1, 8.RL.j1) <b>You are doing a great job with our story today! Now we are going to work on <i>theme</i>. The <i>theme</i> is a message the author wants you, the reader, to get from the story. It is what the story is about. Let's work together to find our <i>theme</i>.</b>		
Step	Teacher Says/Does	Student Response
28.	<b>Let's begin by finding some details about our main character. Look at the first page of our chapter. Who was the leader of the Gilbreth household?</b> (Use the Theme concept map and vocabulary response cards to fill in the details. Note: There are only 3 details for this lesson, but the map was made with 4 for future lessons.)	Selects "dad." (Use the vocabulary words you taught earlier for students to make their responses.) Use LIP if student does not respond correctly. 
29.	<b>Dad and mom had a lot of children. They had a large _____.</b>  (Write "family.")	Selects "family." Use LIP if student does not respond correctly. 
30.	<b>We know that Dad was proud of his family. Look at this sentence</b> (point to the last sentence of the chapter, "Dad really loved his family" and read aloud). <b>How did dad feel about his family?</b> If needed, ask a more specific question "Did dad love his family?"  (Write "loved")	Selects "loved." Use LIP if student does not respond correctly. 
31.	<b>The theme is the message from the story. Which of these might be the theme of our story?</b> Use response board for this question.  - Growing up - Friendship - Nature - Importance of Family	Selects "Importance of family." Place/write theme in the concept map.  If students are struggling to understand theme, model finding the theme for the first chapter(s) then ask students to find the theme in later chapters. 

**You did a wonderful job with our story today.**

Students can also act out chapters by assigning different roles to each student. Nonverbal students can read their lines using an alternative communication device.

**BUILD TOWARDS GRADE LEVEL COMPETENCE (Level 4 Text):** Read the chapters covered in the lesson above aloud to the students but use the actual non-adapted text. This will provide students with an opportunity to hear more complex vocabulary, literary elements that may have been removed when creating the adapted text, and the author’s tone. Here are some comprehension questions to use for each chapter.

**BUILD TOWARDS INDEPENDENT READING (Using text at 1<sup>st</sup> to 2<sup>nd</sup> grade reading level.)** Have the student read the Independent Reader steps aloud (or silently) and then answer each comprehension question. The text with a larger font is included in teacher materials. You can also cut the sentences apart and have students put them in order to retell the story.

Dad was a proud man.  
 He had an important job.  
 He taught businesses how to do jobs faster and better.  
 Dad was the leader of the Gilbreth family.  
 Mom and dad had a large family. They had 12 children.  
 Dad taught us how to do our jobs faster and better.  
 Dad called us all together to tell us things.  
 Sometimes he would give us surprises.  
 Dad loved his family.

**Comprehension Questions:**

Who is this passage about?  
 What was dad’s job?  
 Did they have a small family or a large family?  
 How did dad feel?

<i>READER OPTION (this step is optional for students who are learning to read independently):</i> <b>Sometimes we can read a new words by sounding out the letters. Let’s try a few. I’ll show you a word. Read it first and then match the word to the picture.</b> (You may substitute words and pictures related to phonics skills your students are learning).		
<b>Step</b>	<b>Teacher shows each word (do not read it)</b>	<b>Student Response</b>
1.	dad	Student reads “dad.” If student needs help on these words, show how sound it out /d/ /a/ /d/. Match word to picture of dad.
2.	job	Student reads “job.” If student needs help on these words, show how sound it out /j/ /o/ /b/. Match word to picture of job.
3.	mom	Student reads “mom.” If student needs help on these words, show how sound it out /m/ /o/ /m/. Match word to picture of mom.

**GENERALIZATION ACROSS MATERIALS.** Repeat this lesson using a poem instead of a story. Here are some poems and the responses you can use. The poems are provided in the student materials along with a response board.

Poem	“Wh” questions	Topic/ main idea/ theme	Context clues	Other ideas
Read aloud this poem: “Twelfth Song of Thunder.” The Mountain Chant: A Navajo Ceremony.*	What is the first stanza about? (thunder is loud) What is the second stanza about? (grasshoppers chirping) What is the setting? (on land, in nature, near mountains. For a hint, refer to title, or highlight “mountain,” “land,” “dark clouds,” and “plants.”)	Theme: Nature What is this poem about? - The sounds of nature	Figurative language “The voice above, the voice of thunder, within the dark cloud.” Let’s figure out what thunder is. When do we hear thunder? (During a storm) Where does thunder come from? (the sky) What does thunder sound like? (booming)	Use sound bites of thunder and grasshoppers chirping so that students can hear them. Introduce imagery: How the poet uses words to help us picture in our heads what is going on in the poem.

\*Access the poem here: <http://www.eduplace.com/ss/hmss/3/unit/act2.1blm.html>

**REAL LIFE READING.** After completing a chapter in class, send a copy of the chapter and a list of comprehension questions with a response board home for homework practice. Also allow the student to review completed chapters during free time to encourage reading as a leisure pursuit. Students could practice charting jobs they do in school, including schoolwork completed. This will help build self-determination skills. New Jersey is the state mentioned in this story. This creates an opportunity for students to read their own state name or recognize it on a map.

**OPTIONAL WRITING ACTIVITIES:**

There are two writing activities. The first activity can be done daily, or after reading a chapter or group of chapters. Both graphic organizers mentioned below can be found in the Teacher Materials document.

**Daily:** Use the “Topic and Supporting Details” graphic organizer and the “Theme and Supporting Details graphic organizer” and have students create their own for each chapter daily using response options. For more advanced students, you can write the details on the board without picture support and have students fill in the graphic organizer by copying each response in the correct location. Put in a notebook or folder and review prior to reading the next chapter.

For a more advanced writing activity, begin paragraph writing using the graphic organizer.

Example: Sample graphic organizer with details.

**Building Understanding of Words and Stories: Cheaper by the Dozen**

*Directions: Score each step during instruction or as soon as the lesson is complete. Score the step as unprompted correct with a "+." Use a system to code level of prompting required for incorrect responses (e.g., V = verbal prompt, G = gesture, P = physical). Graph the number of unprompted correct responses to monitor progress.*

**BUILD ESSENTIAL UNDERSTANDING: Teaching Story Elements**

<i>Materials and Directions for Teacher</i>	<i>Instructional Cue</i>	<i>Student Expected Response</i> <i>Date:</i>						
1. Present student with book cover.	<b>INTRODUCE TEXT</b> (i.e., attention getter activity) Show a picture of a large family (you may have students bring pictures of their families). Ask students how many siblings they have. Show the book <i>Cheaper by the Dozen</i> . <b>We are going to be reading a book about a large family with 12 children. Find the title of our book.</b>	Points to title.						
2. Present student with book cover.	<b>Find the author of our book. The author is the person who wrote our story.</b>	Points to author.						
3. Present student with adapted text and picture response cards.	<b>A <i>character</i> is a person or people in a story. Listen while I read the first two sentences of our first chapter. (Read 1<sup>st</sup> two sentences). "Who" asks for the name of a character. Who is the character in our story?</b>	Selects "Dad."						
4. See above.	<b>Remember, <i>characters</i> are people in a story. Listen while I read the first page of our first chapter. (Read 1<sup>st</sup> page). When I read “Dad was proud of his family.” I want you to help me read “proud” and “family.”</b> (Hold up a sentence strip with the words “Dad was proud of his family.” Point to the words as you read them, but wait for student to read the last word.) <b>Let’s practice, “Dad was...of his...”</b>	Reads “proud” and “family” (e.g., student may use voice output device to say “proud” and “family” or speak the word to help read it).						
		NUMBER CORRECT:						

**BUILD ESSENTIAL UNDERSTANDING: Key Vocabulary and Building Phonetic Awareness**

Objective: Identify and define key words related to the story. (See materials for vocabulary and pictures)

7. Present student with adapted text, vocab response cards, and picture response cards.	<p><i>READER OPTION:</i> Student reads each sight word and matches it to the picture.  <i>LISTENER OPTION:</i> Teacher reads the word and student finds the picture. (More support: Some students may need to select an object that represents the word).</p> <p><b>Before we read our story, let’s review some key words we will find in the first chapter. Read (or listen for) the word and then show me the picture that goes with the word.</b> (Go through the vocabulary at a rapid pace).</p> <p><b>Dad</b> (Show or read)</p>	Reads/ selects “dad.” Matches to picture.						
---	--	--	--	--	--	--	--	--

8. See above.	<b>Proud</b> (Show or read)	Reads/ selects "Proud." Matches to picture.						
9. See above.	<b>Family</b> (Show or read)	Reads/ selects "Family." Matches to picture.						
10. See above.	<b>Job</b> (Show or read)	Reads/ selects "Job." Matches to picture.

		NUMBER CORRECT:						

**BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Topic and Supporting Details)**

6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> Objective: Confirm or change a prediction about topic of story using at least two supporting details from story (6.RL.b2; 7.RL.j1, 8.RI.j1). See materials for response options.

12. Present student with adapted text and response options.	<p><b>READ ALOUD ADAPTED TEXT:</b> Do step 12 with students first, and then read Chapter 1 aloud (some students may be able to read this passage aloud for you.)</p> <p>Do prior to reading text: <b>Before we start reading, I want you to think about what this chapter is about. Remember, "dad," "family," "job," and "proud" are our vocabulary words. Our repeated story line is "Dad was proud of his family." The topic is what the story is about. What is the topic of the story?</b></p> <p>Present response options. Vary order daily.</p> <ul style="list-style-type: none"> <li>- A dad and his family</li> <li>- Doing homework</li> <li>- A dad running</li> <li>- A family dog</li> </ul>	Selects one sentence.						
13. Present student with adapted text and voice output device if necessary.	<p><b>I am going to read our chapter aloud now. Follow along with me. Remember you are going to help me read "proud" and "family" when I say (text point as you read) "Dad was proud of his family." Ready?</b> Read the chapter aloud. When you come to a repeated story line, text point as you read and wait for students to read underlined words. NOTE: Some students may be able to help read other key vocabulary</p>	Reads "proud" and "family" (may use voice output device).						

	terms in the text, such as those practiced in the previous section.								
14. Provide students with adapted text, "Selecting Topic and Supporting Details" Graphic Organizer, Prediction Response Options, and Supporting Detail Response Options.	<b>Earlier we made a prediction about the topic of our story. Now that we have read the story, let's select the actual topic of our story</b> (show the response options for prediction again). <b>What is the topic of our story?</b> Wait for student to respond. <b>Place the topic in the graphic organizer.</b>	Student selects (points/eye gaze) or reads response option: "A dad and his family."							
15. Provide students with adapted text and response options.	<b>We have to find a fact in our story to back up our topic choice. Look at the first page of our chapter. We need to find a detail from our story that supports our topic, "A dad and his family."</b> (Display 4 details from passage: 2 correct and 2 incorrect.) - <b>He wore shirts with a Herbert Hoover collar.</b> - <b>This is called job efficiency.</b> - <b>Dad was the leader of the Gilbreth household.</b> - <b>He and mom had 12 children.</b>	Student selects (points/eye gaze) one of two correct response options: "Dad was the leader of the Gilbreth household." Or "He and mom had 12 children."							
16. See above.	<b>We need to find another detail from our story that supports our topic, "A dad and his family."</b> (Display 4 details from passage: 2 correct and 2 incorrect.) - <b>He wore shirts with a Herbert Hoover collar.</b> - <b>This is called job efficiency.</b> - <b>Dad was the leader of the Gilbreth household.</b> - <b>He and mom had 12 children.</b>	Student selects (points/eye gaze) one of two correct response options: "Dad was the leader of the Gilbreth household." Or "He and mom had 12 children."

## BUILD A GRADE-ALIGNED COMPONENT: CONTEXT CLUES

**BUILD A GRADE-ALIGNED COMPONENT:** Use response boards. Student should select the correct picture/word/phrase.

**6<sup>th</sup> & 8<sup>th</sup>** Objective: Students will select the definition of grade level words (6.RWL.c1, 8.RWL.i1)

**6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>** Objective: Students will use context clues to determine meaning of words or phrases (6.RWL.a1, 7.RWL.g1, 8.RWL.g1)

<p>17. Present student with adapted text and picture response cards.</p>	<p><b>You have done such a great job with our story today. Let’s do one more thing to become super readers. Let’s play “Guess the Mystery Word.” We are going to look at words around our mystery word to help us find what the mystery word means. Sometimes the words in the sentences can help us figure out the mystery word, and sometimes the surrounding sentences can help us figure it out. Use response options provided in materials. Here is our first one. “He told other businesses how to do their job faster and better. This is called job <u>efficiency</u>.”</b></p> <p><b>Who can find what efficiency means?</b></p> <p><b>Hint: The sentence before tells us what efficiency means. Efficiency means “how to do their job faster and better.”</b></p>	<p>Selects “how to do job faster and better.” (To make this a game, give student a point for each correct answer. Students may compete as teams; or if only one student, let student try to get correct answer faster than you do.)</p>						
<p>18. Present student with adapted text and response options.</p>	<p><b>Here’s our next passage. “He would increase their <u>production</u>, which means the business could make and sell things faster and make more money.”</b></p> <p><b>Who can find what production means?</b></p> <p><b>Hint: This sentence tells us what production means, “which means the business could make and sell things faster”.</b></p>	<p>Selects “make and sell products faster.”</p>						
<p>19. Present student with adapted text and response options.</p>	<p><b>Here’s another passage, “It was called the ‘assembly call.’ <u>Assemble</u> means gather together. The assembly call was important. Dad would blow a whistle. We all had to come running and line up in front of our house in Montclair, New Jersey.”</b></p> <p><b>Who can find what “assemble” means?</b></p> <p><b>Hint: Here’s the hint, “Assemble means to gather together.” The author even gives an example. When</b></p>	<p>Selects “gather together.”</p>						

	<b>dad used the assembly call, “we all came running and lined up in front of our house.”</b>								
20. See above.	<b>Sometimes a word can have more than one meaning. Let’s try a few. A “chart” can be something I use to write on (show picture of a chart). “To chart” means to write down the jobs you have done to track your progress (show a picture of a person charting progress). What does chart mean in this sentence... “I wrote my name on the chart.”</b>	Selects picture of a chart.  If not correct, reread the definitions of “chart” and let the student try again.							
21. See above.	<b>What does “chart” mean in this sentence...“When I am working on a project, I chart my progress.”</b>	Selects picture of person charting progress.							
22. See above.	<b>Let’s do another word. The word “brush” can be the action that we use to brush our hair or our teeth (demonstrate the two motions). Or, a “brush” can be the tool we use to brush our hair. What does brush mean in this sentence... “He taught us the best way to wash dishes, comb our hair, and brush our teeth.”</b>	Selects picture of kid brushing teeth.							
23. See above.	<b>What does brush mean in this sentence...“I use the brush to comb my hair.”</b>	Selects picture of a hairbrush.							
24. See above.	<b>Sometimes we use figures of speech. A figure of speech is a phrase used to create an effect but does not literally mean what it says. Listen to this passage. “We never knew when he was going to call the assembly call. Dad sure <u>kept us on our toes</u>.” Dad didn’t really keep the children standing on their toes. What does “kept us on our toes” mean? Alternate days use: “stretching the truth.”</b>	Selects “we didn’t know what to expect.”							
		NUMBER CORRECT:							

## BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Comprehension Questions)

6<sup>th</sup> Objective: Use text to answer comprehension questions (e.g., answer “who”, “what”, and “where” questions) (6.RL.b2, 6.RL.b3)

25. Present student with sight word response cards, picture response cards, and adapted text.	<p><b>Let’s answer some questions about our story. We will use the chapter to help us find the <i>right</i> answer.</b>  <i>READER OPTION:</i> Student uses text to find the answer (if needed), such as by pointing to key word or sentence in text.  <i>LISTENER OPTION:</i> Use response options.  <b>“Who” asks for a <i>character</i> in our story. The main <i>character</i> is the person who the story was focused on. Who is a <i>main character</i> in this chapter?</b></p>	Verbally states/points to in chapter/selects “Dad” from response options.						
26. See above.	<p><b>“Where” asks for the <i>setting</i> or where the story takes place. Where is the <i>setting</i> of our story?</b></p>	Verbally states/points to in chapter/selects “New Jersey” from response options.						
27. See above.	<p><b>“What” asks for a <i>fact</i> from our chapter. Look at the first page of our story. What did Dad help businesses do faster and better?</b>            On subsequent days, select facts from different pages of the chapter.</p>	Verbally states/points to in chapter/selects “jobs” from response options.						
			NUMBER CORRECT:					

## BUILD A GRADE-ALIGNED COMPONENT: PASSAGE COMPREHENSION (Theme)

7<sup>th</sup>, 8<sup>th</sup> Objective: Students will identify theme of the story using supporting details (7.RL.j1, 8.RL.j1)

28. Provide student with adapted text and response options	<p><b>Let’s begin by finding some facts about our main character. Look at the first page of our chapter. Who was the leader of the Gilbreth household?</b>            (Use the Theme concept map and vocabulary response cards to fill in the details. Note: There are only 3 details for this lesson, but the map was made with 4 for future lessons.)</p>	Selects “dad.”						
29. See above.	<p><b>Dad and mom had a lot of children. They had a large _____.</b>            (Write “family”)</p>	Selects “family.”						

30. See above.	<p><b>We know that Dad was proud of his family. Look at this sentence</b> (point to the last sentence of the chapter, “Dad really loved his family” and read aloud), <b>How did dad feel about his family?</b> If needed, ask a more specific question “Did dad love his family? (Write “loved”)</p>	Selects “loved.”						
31. See above.	<p><b>Which of these might be the theme of our story?</b> Use response board for this question.</p> <ul style="list-style-type: none"> <li>- Growing up</li> <li>- Friendship</li> <li>- Nature</li> <li>- Importance of Family</li> </ul>	Selects “Importance of family.”
